FROM THE PASTOR'S DESK

The month of July is dedicated to the Precious Blood of Jesus.

Item 1

Many have asked about the sign in front of the church that has the American flag on it and the words **250 HOURS of ADORATION** and have asked what it means. We are seeking 250 people to commit to one hour of Adoration for the intentions of our nation as we celebrate our semiquincentennial.

Can you commit to one hour? If you like, you can commit to more than one hour, but I would like to offer to Our Lord, from our parish, prayers for our nation totaling 250 hours in honor of our nation's semiquincentennial. My wish is that we can accomplish this by the end of the month of July.

Signup sheets will be in the vestibule of the church.

Item 2

I have been told by many of our long-time parishioners that the Church used to have electronic bells/ carillon system. If you remember the bells /carillon on our church please let me know. As of this writing, no one has come to me to tell me that they remember the bells on our church. So, my question remains unanswered- did we or did we not have working electronic bells on the church? We did find speakers on the roof of the church and are guessing these might be from an old electronic bell system, but we are not sure. The discovery of these speakers along with the recollection of some of our senior parishioners leads me to seek a firmer answer to this question. Please let me know if you remember our church having an electronic bells system.

Item 3

As summer begins and many are off to their summer homes or for longer periods are away from the parish..... Please remember that the work of the parish takes place 24 hours a day-7 days a week-365 days a year. Even though you might not be present at a particular Sunday or holyday Mass, or you may be away for the summer the parish depends on your weekly contributions to meet its bills and carry out its mission. **Please send in your weekly envelopes or consider signing up for online giving- this takes the burden off you to remember to send in your make up contributions and helps us to better plan our cash flow.**

Item 4

We need to replace the electric votive stands in our church. The votive stands we have are among the first that came out when electric candles became more common in churches. Our stands do not have an automatic shut off mechanism thus they have to be turned off manually otherwise they would stay lit continually. I had an electrician look at them to see if we could have timers put on them, but he said it was not possible. Also, the votives we have are not energy efficient and pull a lot of electrical power.

The new stands that I have seen in various catalogs all cost in the range of \$7,200. 00 We have 6 votive stands presently and need to add candles at the Shrine of St. Carlo.

I am still in the process of researching the situation and the various options we might have.

Item 5

The ACA goal for 2026 is \$75,286.00 and we are already OVER GOAL! THANK YOU! THANK YOU!

As of July 6, 171 parishioners have already responded to the 2026 ACA and pledged \$127,033.00 and paid \$112, 881.00.

FROM THE PASTOR'S DESK

Continued...

Again, many thanks to those who have already participated in ACA 2026 by making a pledge. If you have never made a pledge before to the ACA please consider making this year the first year you participate in and make a pledge. EVERYTHING NOW PLEDGED AND PAID, SINCE, WE ARE OVER GOAL, COMES BACK TO THE PARISH-100%!

I would really like to reach the goal of having at least 200 parishioners participate in the ACA 2026. Last year we came close with 199 participants.

Item 6

When making your last will and testament please remember your parish. Your parish will be grateful to you and remember you in our prayers.

Walk-A-Thon Thank You

A heartfelt thank you to all of the families, friends, local businesses, and community members who sponsored our annual Walk-A-Thon.

Thanks to your generous sponsorships and the tremendous participation of our parents, students, and families, we are proud to announce that we raised more than \$35,000 through this year's event!

These funds will directly support school improvements, educational initiatives, technology enhancements, and the ongoing maintenance of our facilities, ensuring that Sacred Heart continues to provide an outstanding learning environment for our students.

Your generosity, partnership, and commitment to our school community make a meaningful difference in the lives of our children. We are truly grateful for your continued support of Sacred Heart Catholic Academy.

Thank you to Msgr. Tom for bringing Mr. Met to our last Mass. When Mass ended, Mr. Met made an appearance delighting everyone teachers, students and regular parishioners.

We were so excited to share this with all of the school later on. Even the Kindergarten graduation was interrupted and we made the news. Once again,

Thank you, Msgr. Tom.
