Our Sacred Heart Parish has become a "Parish for Peace" with the Metro New York Chapter of **Pax Christi**, the international Catholic Peace Movement. Our regular 5:00 p.m. January 21st Sunday Mass will be our parish's special opportunity to pray for peace in our nation and in our world, planned and ministered by our Sacred Heart Justice & Peace Committee. Redemptorist Father Francis Gargani will be our celebrant and Rosemary Pace, the director of Pax Christi Metro New York, will offer the reflection. Consider joining us as we collectively raise our voices for peace.

"A Plastic Ocean" **SUNDAY**

January 28, 2018 2pm

Sacred Heart Church Hall
(enter on 215th Place side of church)

A. PLASTIC OCEAN is a documentary film directed by the Australian journalist Craig Leeson. When he discovers the world's oceans brimming with plastic waste, he dives into and investigates the devastating impacts that plastic has caused to our environment, especially our marine life.

We live in a world of plastic. Shopping bags, drink bottles, toothbrushes and even our clothes are among the everyday items made from plastic. But plastic isn't fantastic, and neither is the current state of our environment.

It is up to us to embrace these changes and move away from the plastic culture. We need to get this problem under control. We need to be part of the solution! Our children and future generations deserve nothing less.

Sponsored by the Laudato Si Environmental Committees of Sacred Heart and OLBS.

SACRED HEART ACADEMY

"Academic Excellence in a tradition of service"

SPOTLIGHT ON KINDERGARTEN

Our Kindergarten students are taught under the watchful eye of Mrs. Mary Marsar and Ms. Christina McGarry with the help of Paraprofessional Mrs. Angela Gallo.

They have a very busy day! Each day begins with a pray pledge and patriotic song and then they move to the carpet for their morning meeting. Here they discuss the plan for the day. From there they move into their centers where they have direct instruction in Mathematics, Language Arts, Reading, Science, Religion and Social Studies.

There is time for creative play in our Creative Play Center and for quiet reading in the cozy reading corner. Our Kindergarten students have specials that include art, physical education, music and library once a week. For Thanksgiving they had a "feast" with the families that included poems and songs, for Christmas they will participate in our Christmas Sing. There is just the right balance of play, socialization and academics.

For more information on our Kindergarten program please call the school office at 718-631-4804.
